SWEEPING REDUCTION MADE IN SALARIES OF CITY OFFICERS

The first meeting of the new board of city commissioners was held last night in the city hall, the board being in session only a short time. The action of the commissioners was in a way preliminary to the work before them. The policy of retrenchment was paramount and to that end three ordinances providing for reduction of salaries of appointive city officers were passed and are being published in the Standard this afternoon. Appointments will be made at the meeting tomorrow morning.

At the opening of the meeting last night, a resolution, presented by Commissioner Chris Flygare, assigning each member of the board to specified duties, was passed unanimously. The resolution provides that Mayor A. R. Heywood shall be superintendent of public affairs and finance and public safety; Commissioner M. L. Jones will have charge of the department of waterworks and water supply, public property and city parks, while Commissioner Flygare will continue to control the street department and public improvements, and in addition, will be superintendent of the public health department.

The only appointments to office were as follows: Carl Allison, city treasurer, and C. F. Koons, deputy; W. T. Adams, deputy city auditor and Mrs. Mary Parker, clerk in the auditor's office; L. N. Fulton, clerk of the municipal court. Municipal Judge George S. Barker's bond in the sum of \$5000 was approved, as was also the bond of City Auditor Arthur P. Larson in the sum of \$20,000.

The salary ordinances made quite a sweeping reduction and, having been passed before any appointments to the offices affected were made, the persons seeking appointment will be fully advised as to what compensation they will receive.

The following comparative statement shows the reductions inaugurated by the three ordinances: City Attorney, \$1800 per annum; assistant attorney, \$900. The revised ordinance made by the old board provided for a salary of \$2400 a year for the city attorney, but it had not gone into force at the expiration of the life of the old board.

The city recorder's salary remains the same, \$1500 a year, and the deputy's salary is not changed from \$900 a year.

The assistant superintendent of waterworks will receive \$1620. Last year it was \$1800.

The salary for the fire chief will be reduced from \$2100 to \$1800 a year; electrician-fireman, \$1200 to \$1200; captain, \$1200 to \$1200. In the police department the chief will receive \$1800, instead of \$2400; detective, \$90 a month instead of \$95; assistant jailer, \$55 instead of \$65; and guards, \$60 instead of \$75.

The city engineer's salary will be cut from \$2400 to \$1800 and his assistant will be reduced to \$1200 from \$1800.

The new ordinances will make a saving of about \$2000 a year on salaries.

Second Meeting. The second meeting of the board of city commissioners was held this morning with all members present.

Florence O'Neill Stanford acting as recorder. Commissioner Chris Flygare presented the name of A. G. Harris as poll tax collector and the appointment was made by unanimous vote. The poll tax collector works on a commission basis.

The petition of Nels Sorenson and others asking for reduction of license for shooting galleries from \$80 to \$40 a year was denied on the recommendation of Mayor A. R. Heywood. The matter was referred to the mayor at the meeting last night.

The bonds of City Treasurer Carl Allison and Assistant Treasurer C. T. Koons, furnished by a guaranty company, were approved. Mr. Allison's bond was for \$150,000 and Mr. Koon's amounted to \$100,000.

A special audience saw "The Rack" at private showing this morning and pronounced it a drama no man or woman should miss. Alhambra today and tomorrow.
